The Mirror Editorial
27 September 1947

With the football season nearing its conclusion and really big cricket in the air this summer, it was interesting to note that the Woodville Cricket Club decided at a meeting this week to reform after disbanding in 1940. Woodville club, from whose ranks rose State players Tony Zimbulis and Wally Buttsworth, and many outstanding turf cricketers was a leading light in the Metropolitan Senior Matting competition.

With it is associated many of the big names in WA cricket. At one time, for instance, it was coached by one of WA's most notable cricketers in Fred Buttsworth, father of Essendon footballer Wally and State footballer Fred, a mainstay of the West Perth side playing the second semi-final today. Fred jnr can be regarded as a certainty for State cricket honours this season. Woodville club recruited the services of star trundler Zimbulis and talented Wally Buttsworth from North Perth school while they were still in short pants. Club this year has decided to enter 2 teams in the matting competition, and as its policy is the unearthing and fostering of juniors, its participation in the competition will be welcomed by all WA cricket enthusiasts.

The award is named in recognition of the key drivers of the formation of the original Landsdale and Ballajura Junior Cricket Clubs.

Kevin Burns was a foundation member of the Landsdale Junior Cricket Club.

Kevin held Executive Committee positions over 12 seasons, was the Coordinator of the IN2 Cricket / Blasters program for 6 seasons and coached teams from 10's to 17's for a further 8 seasons as well as fulfilling many other roles associated with the club.

The Landsdale Junior Cricket Club acknowledged Kevin with the naming of the clubs Best Club Person award.

Rueben & Sharon Hinkley were foundation members of the Alinjara Ballajura Junior Cricket Club, the club later changing its name to the Ballajura Junior Cricket Club. Both held Executive and General Committee position over many years and were actively involved with coaching, manager, scorer positions along with the many other volunteer and administrative roles associated with the club.

The Ballajura Junior Cricket Club acknowledged Rueben and Sharon by naming their Best Club Person Award the Hinkley Award.

With the merger of the Landsdale and Ballajura clubs in 2019 it was decided to jointly acknowledge these foundation members of our junior clubs with the Burns Hinkley Award.

Note: For the 2019/20 season the award was presented as the Best Club Person for the junior club operations.

From the 2020/21 season the award was altered to acknowledge the Junior Player of the year.

BEST FIRST YEAR PLAYER – Clinton Cook Award

The Best First Year Player is named the Clinton Cook award.

Clinton Cook played at Woodville Greenwood from 1994 until 2001 before moving to Karratha with work.

Clint did a power of work for the club both on the committee and in the general running of the off-field requirements of the club. Clint also nominated as a committee member to the Wanneroo Cricket Association and became the first person from the club in recent years to be represented on the association committee to ensure the club had a voice at the higher, association level.

While a member of the Association committee Clint took on the role as manager of the association colts' team. From this experience Clint recognized the need for our club to attract junior players.

Significantly it was Clint who became aware of the proposed facilities being developed at the Warradale Reserve in Landsdale and was a key driver of the relocation of the Woodville Greenwood Cricket Club to Landsdale in 2002. Clint saw this not only as essential in protecting the longevity of the club but more importantly to provide the opportunity to develop a junior club to promote both the game and the club.

In recognition of Clint's work with juniors and his eagerness to attract and retain new players to the club, the committee named the award for the best first year player, an award initiated by Clint, as the Clinton Cook Best First Year Player Award.

VOLUNTEER of the YEAR – Mike & Ann Burns Award

The Volunteer of the Year award is named the Mike & Ann Burns award.

While at Woodville Greenwood, the Best Club Person Award was re-established in 1988/89 to acknowledge the club member/s that contributed to the running of the club for work that was outside or well above a club member normal or expected duties.

Mike and Ann Burns are the parents of Kevin, Andrew and Jeffery Burns who all played for the club and served on committees commencing with Kevin who started as a player in 1986.

Mike, despite his advancing years, would regularly fill in when the club was short of players. However, the greatest contribution to the club by Mike and Ann come in the off-field events and functioning of the club. Mike and Ann would attend most functions and assist in the organizing, running and after event clean up. At the Ellersdale rooms, Woodville Greenwood's home ground, Mike and Ann would often be in the last people to leave after vacuuming and cleaning the rooms.

In the early 1990's the club re-commenced holding the annual Kids Christmas Tree event. To save on costs for the event Ann handmade the Father Christmas outfit, which is still used today, while Mike would perform the Father Christmas duties for the years prior to his grandchildren coming along.

In recent years Mike & Ann have been providing afternoon teas for all Ballajura Landsdale teams playing at home.

An unassuming couple who would do any job required of them, in most cases without being asked, without complaint and never having a bad word to say about the club or its members. They are the ideal people to have involved with the club and set a great example for club members.

In 1996/97 a proposal was put forward by Neil Rawlins which was unanimously accepted by the committee and subsequently the members, for the award to be renamed the Mike & Ann Burns Best Club Person Award. Mike and Ann were awarded life membership in February 2009.

With the Ballajura, Landsdale merger in 2019 the Mike & Ann Burns award for Volunteer of the Year was created.

MOST IMPROVED PLAYER – Steve Moffatt Award

The Most Improved Player award is named after Steve Moffatt.

Originally awarded in 1988/89 to Steve as the Most Improved player for that season

Steve Moffat was a young man who played for the club for only a few seasons before suffering an aneurism during a match against Northern Suburbs at Glengarry Reserve in October 1989. Steve was rushed to hospital but never regained consciousness and died in hospital a few days later aged 21.

Moff also played football for the Nollamara Amateur Club with several teammates that also played cricket at the club which was then known as the Woodville Greenwood Cricket Club. Known as "BP" the quiet achiever, in both sports Moff was a capable performer, not an outstanding player, but would always endeavor to maximize his performance and go about his game in an unassuming manner. He was a young man of character who was a team-oriented player.

In memory of Moff and in recognition of the characteristics he displayed in playing the game and his general attitude to sport and his teammates, the club believed it appropriate that the most improved player award be named and known as the Steve Moffat Most Improved Award.

CLUB PERSON of the YEAR – Darren Fowler Award

The Club Person of the Year award is named the Darren Fowler award.

The award was created in memory of former past President Darren “Chookie” Fowler who passed away at the age of 37 in 2000.

The initial award was presented in 2000/2001. Chookie was president of the club in its infancy and was pivotal in the survival and expansion of the club in the late 1990’s.

Chookie was not overly blessed with cricket ability, but was always up for a challenge, and an extremely gritty and determined character. This determination and competitiveness transpired into his role as president of the club. In an age of no group chat, internet, email, or mobile phones Chookie provided a tremendous amount of effort, energy and support to the committee members and captains in ensuring everyone worked tirelessly to keep the club going.

The award was created to recognize members of the cricket club who gave up their own time and selflessly put in hours after hours of work behind the scenes to keep the club running, ensuring members were able to play the sport we love for this club. The award symbolizes the selflessness of individuals who put the club and other members before themselves time after time for no reward, recognition, or attention.

Chookie had one motto in life, live each day as though it could be your last, give everything you have and do not do anything half committed.
